"I Hope You Know"

Often there are those days when you look back in reflection, you wonder how it all happened so well. 783 shared in our Friends and Family Day! Last week we welcomed three new families in our fellowship and next week we will introduce at least one more. Will you be next to join a church growing with God's grace? It would thrill our hearts to know you are a part of what's happening in our lives here.

We saw this past Lord's Day come with anticipation but also with the addition of some extra responsibilities. Over the last week we have prayed for, visited, and ultimately grieved with the family of Keyvin Wright. While we grieve with his family, we are thankful for the display of love from their hearts for him. Serving a meal with a near 800 attendance crowd, and then offering a meal to a family whose hearts and hands are weary from sorrow, is no small task. With sincere gratitude, thank you to those precious hands that prepared and presented food for our fellowship after worship and for the fellowship after the funeral services. The variety and amount of food was staggering, and once again displayed your willingness to help however you can. No one person prepared more than another, so many were servants; just the way it should be.

This Sunday we will celebrate our ground breaking! Be with us for our theme lesson, "Sharing Heaven in 2011 - Breaking New Ground". There may be a blessing you are seeking to find for your heart. I hope you know God is that blessing and you will find it with Him and His Son's church. Come be with us this Sunday.

Katie Bates wishes to thank everyone for the birthday cards that she received. She is now in assisted living near her daughter and will miss everyone here. Her new address is:

SUNDAY WAS SIMPLY AN... awesome day! It's hard to describe the feeling of being around that many Christian people and having the opportunity to worship together! It was also hard to fathom the amount of food that was in the fellowship hall after worship. The youth group carried that enthusiasm over into the night with our Fireside. We have had two firesides this year and have had close to 50 in attendance at both! That is exciting. With such a large crowd on

hand, it was only fitting that we talked about the importance of the influences in our lives! We looked at what the Bible tells us about having good Christian people in our lives and how that ultimately the people around us help shape us into who we are. I pray everyday that our teenagers will truly make every effort to surround themselves with Christian people who will walk by their side and help them get to Heaven. For those who are on Facebook, you know that most everyday you log on you have a friend request. I have seen people on Facebook who literally have 2500 friends. The funny thing is however, that on Facebook it doesn't take much to be someone's "friend." In reality, we can truly know those who are our friends simply by looking at the people in our lives who are helping us be better Christians and ultimately who are going to help us get to Heaven. There is no better friend to have than someone who wants to help you get to Heaven. If there are people in your life who aren't helping you get to Heaven, you should seriously question that "friendship." May we strive everyday to be the kind of friend that the Lord has called us to be. May we strive to be the kind of people that others want to be around, because we help them have a better relationship with God. "Two are better than one, because they have a good return for their labor: If either of them falls down, one can help the other up. But pity anyone who falls and has no one to help them up." Ecclesiastes 4:9-10. Be a friend and help someone up today!

WE ARE HAVING OUR FIRST 5TH QUARTER OF THE.... year this coming Friday following the football game. Everything will kick off in the Fellowship Hall immediately following the football game. We will have two great things going on Friday night, Dodgeball and Waffles! What better combination can you think of?

YOUTH CALENDARS ARE AVAILABLE FOR PICKUP... and on the Website, check out everything going on in September and October! Light the Way-Chris
