"I Hope You Know"

An open letter to the Staff of the Centerville Church of Christ,

Over the last three years, we have shared together the task of meeting the day to day obligations of this great church family. Within any church family, there are always needs which must be met. Sometimes there are needs which go overlooked among our family. To those impacted by those moments it can seem as though they were forgotten, or not as important as others who are remembered. The reality is in the frenzy of trying to meet every need, some needs are simply beyond our knowledge or learned too late. Yet you are the workers, the servants, the laborers - who everyday - set aside a part of your life in order to help better the lives of others. God sees your works every day and will reward you accordingly. It is my privilege to serve beside you regularly and for what it is worth, I want to tell you how much I am thankful for you.

When God described the importance of every "body" in the "one body" He did so with the intent we would see the value in the flavor and variety with which each person is able to serve. He was not solely describing the "on staff employees" of a church. Yet His description matches each and every one of you with only the level of detail He could offer. The greeting our guests and members are given when they come to or call our offices; the aide our brethren, friends, and neighbors are offered when they make known their need; the records of financial obligations kept in meticulous order; the maintenance of our building, grounds, Camp Meribah, and Dotson Lodge; the preparation of the emblems we share in our weekly Supper; the material we study in our classes; the events we share as a congregation; the scope of our opportunities given to our young people to learn, grow, share, and serve; the preparation of this very publication. Every one of these items are as diverse in description as you are diligent in disposition for the good of this church. What a rich blessing you are to my life.

Truth be told, we are not without our flaws. Sure that hurts to hear, but it is after all, true. We have made our mistakes and asked forgiveness, privately or publicly. We have omitted things that when brought to our attention, broke our hearts because they were done in innocent human error and with no shred of malice or intent. If you can even handle one more bit of truth, there is probably someone out there, (where I don't know), that might (would) be better at the job we each do, especially the one of this author. But this one thing reigns above the former - there is no other group of people better suited to work together, in a harmony God intended, than this group. When one of us cannot, the rest of us will not pass the opportunity to help each other. You fulfill the spirit of Philippians 2:4, "Let each of you look out not only for his own interests, but also for the interests of others."

I hope you know how honored I am to call you my brothers and sisters in Christ; my colleagues; my co-workers; my friends. We will continue to encourage each other to keep our theme, "Do all things without complaining and disputing" (Philippians 2:14). In the meantime, in order to give honor where honor is due, from my heart to yours, 'Thank you' for who you are, what you do, and what you are letting God do through you!

IT'S CATCH UP WEEK FOR.... many, as the much needed Thanksgiving break has come to an end. It is truly a blessing to have that time each year to slow down and reflect! It simply blows my mind to think that November has come and gone, not to mention the end of 2011 is lurking! I do want to highlight a few things coming up before they come and go as well. This Friday night, we will be having our first 5th Quarter of the basketball season. Everything will kick off after the game in the Fellowship Hall and end around 11p. As always, there will be free food and some sort of crazy activity to be involved in! I really hope you are able to make it! We also

have my personal favorite event of the year coming up this Sunday night! It's time for our Sr. High Progressive Dinner. Four gourmet chefs have been selected to prepare four courses of the most unbelievable dinner you will ever see! Be sure to dress up in your best and bring a Dirty Santa gift valued around \$10. Feel free to invite a friend, this night is always a blast!

THE JR. AND SR. HIGH LOCK-IN WILL BE HELD.... December 28th-29th. The cost for the Lock-In will be \$35 and this will cover all of your expenses for the night! Everything will kick off at 7p and will conclude at 7a. NOTICE: All Jr. and Sr. High students will need a ride to and from the Lock-In. No one will be permitted to drive home the morning after. This is simply a safety precaution to keep anyone from falling asleep while driving. PARENTS: Please help us enforce this and make sure that we have a safe Lock-In. Everyone who wishes to be a part of the Lock-In will need to have a signed release form as well so that you can participate in all of the activities that we have planned. You can pick these up in the church office. This night is always special, I sure hope you plan to be a part of it!

OPERATION SANTA CLAUS IS WELL ON IT'S WAY AND.... is sure to help many children across this county to have a great holiday. Jr. and Sr. High, you have a wonderful opportunity to contribute to this cause on Dec. 10th. We will be taking our annual Mall Trip where we can divide up and purchase gifts for several different children in Hickman County. The bus will leave at 5p and return around 10:30p. Try to save up at least \$20 to spend on your designated child. Invite a friend and help make sure that we do our part! Light the Way-Chris
