

Day Camp Information:

Once again, we will be having Family Night at Camp Meribah. Parents and siblings are invited to enjoy supper with the campers and Meribah staff on **Monday** evening at 5:00. This will be followed by a trip to the City Pool for everyone to swim. The evening will conclude at 8:00 pm at the City Pool. Family Night activities are completely optional. Campers choosing not to participate may be picked up at the normal time between 3:30-4:00 on Monday afternoon.

Parents who cannot attend but wish for their children to stay may pick them up at the Centerville City Pool by 8:00. We hope this evening will provide an opportunity for quality family time while also better acquainting the adults with Camp Meribah, its staff, its facilities, and its programs. You may ask additional questions and/or sign up for Family Night (free of charge) at check-in time on Monday morning.

Scholarship Information:

Due to the increasing number of campers attending our sessions, we have recently modified our scholarship assistance program to better accommodate and fairly distribute financial assistance to our campers. All scholarship awards will be based on available funds. If such funds exist, each camper requesting assistance will be entitled up to, but not exceeding, 1 full scholarship if so granted by the camp administration. This may be applied to 1 week in full, or split among multiple weeks with the camper responsible for paying the difference. Because of increasing demand and limited funds, we are no longer offering full scholarship assistance to multiple weeks. Additionally, the applicant's ability to pay a portion of the camp fee will increase the likelihood of receiving a scholarship. If you are in need of a scholarship, please provide the information requested below, as well as checking the "yes" box on your registration form under "Requesting scholarship." All recipients will be notified by phone prior to the start of camp.

For more information, you may contact Camp Director Clay Chessor at home at **931-729-9376**. Please leave a message if no one is available and your call will be returned. *Please use this number as means of contact for camp-related matters.*
