"I Hope You Know"

Moments of reflection are more than good, they are necessary (II Corinthians 13:4). Believe it or not, we are 1/3 through this "new" year. Through the new year we have seen your walk of faith take new steps which have come through the goodness of God's abiding courage and strength (II Timothy 1:7). Our most recent days have given us an average six week attendance of 567, with a marvelous Sunday just one week ago, shared by 712! There was no separation of class, culture, or race; there was no delineation of wealth, simply desirous souls wanting to honor God. The worship of our great God is central to our lives, and is the driving force for how we become more and more like Him, for it is in our encounters of Him that we learn and thrive in His identity.

Through the year your commitment to seeing our building renovated and expanded to serve the needs of our church family and this community has been remarkable. As of now, you have given more than \$30,000.00 above your contribution this same time last year! We are entering into the first summer season with the new HVAC system which we pray will help add to our already excellent budget savings through this year. Being good stewards and helping to lesson our bondage to debt is a blessing which can be enjoyed by all now and in the future. We should not stop advancing this great blessing of stewardship and fiscal responsibility.

Being one year removed from the flood, we have seen many of our neighbors rebuild and regain their normalcy of life. For some, this journey of repair continues. For those who have rebuilt we are thankful their lives and stories, their work and relief were shared with us. As we have seen the power of the world around us, we cannot help but look to the area of our Southern region devastated by the recent tornados. Our prayers have been with these souls since their lives were affected, and soon through your generosity and response, your hands will help in their relief. Stay tuned to us to learn more of how we can help relieve the suffering in that near region.

This last Sunday our youth deacons, on behalf of the elders and Camp Meribah Board thank you for your support of the scholarship fund for camp, by the generosity displayed during the recent Paul Rogers Memorial Golf Tournament. The \$2,000.00 raised from the tournament has started the fund raising for the near \$9,000.00 needed for scholarships toward worthy campers. In one Sunday of requesting, another \$600.00 was given toward the effort. Thank you, for believing in Camp Meribah, whose mission and focus must always be Christ and Him crucified, and how He calls all to Him (Matthew 18:3-5).

So much has been accomplished and all to the glory of God. Yet remember this, lest we be too complacent, Paul tells us to boast in our weakness (II Corinthians 11:30). There are still more, many more, who need to come to Christ to know Him and worship Him. There is still giving, much more giving which needs to be sacrificed to God. There is still good, great good which needs to be shared among those who are hurting. There is still "going" to be accomplished throughout the world where our feet stand. I hope you know from Whom these blessings come and to Whom the glory is due.

Spotlight on Leaders...

I'VE BEEN ANXIOUS TO... report back that our Jr. High Retreat was an absolute blast! We had a great crowd to participate and some great adults that joined in with us as well. Our theme this year was "Driven." Our discussion revolved around the fact that in life we often need something to drive us to be better and work harder, no matter what we are working towards. I believe that it's easy for us as Christians to go through the motions and sometimes lose sight of what our purpose actually is. By focusing on what God has created us each individually for, we can often times

hone in on that ministry and do great things for God. We looked at various examples from the Bible that teach us that God has created us all uniquely. He has given us all gifts that can be used to glorify Him. Our struggle is that sometimes we either don't recognize those gifts, or if we do, we struggle to figure out how to use them for His glory! Whatever your gift may be, discover how you can use it for God. You don't have to stand in a pulpit to serve God; you don't even have to be in a leadership role! Service to God can come in the form of preparing meals, making a quilt, cleaning someone's house, giving, or something as easy as praying for others! I want to say a special thank you to Mike Elkins, Jennifer Baltz, Brian and Sandy Qualls, and Marty and Robin Smith for tagging along this weekend! It was a great trip and a blessing to all who were there!

THE YOUTH CALENDARS FOR MAY AND JUNE ARE NOW... available in the Lighthouse and on our website. May is packed full of activities which lead us right up into June when Camp Meribah kicks off. This Friday night the Daughter's of the King group will be making quilts from 6-9p. This is an art form that I pray we never forget! What a great opportunity to learn for this group! This coming Sunday night we will have our next Fireside from 7-9p. A few dates that you should go ahead and mark your calendar for are May 29th-June 1st, which will be Camp Kerusso 2011! Also, from June 2nd-4th there will be the first ever Daughter's of the King Camp Kerusso! This is a camp that has become something very special over the years, and a great training tool for any young man or woman who has the desire to serve the Lord. Applications will be available in the next few weeks, and there is absolutely no cost for these camps. You will undoubtedly be glad that you blocked off these dates, I promise it will be a blessing to your life!

Congratulations to Brandon Frazier, Johnny Clark and Danny Spence on their decision to become Christians. These men were baptized on April 28th through the continued efforts of our local Jail Ministry. Numerous Churches of Christ in Middle TN, and other areas, offer correspondence courses by mail to those incarcerated here. These efforts add to the success of the work. Thank you to all that are constantly mindful, prayerful and supportive of this program.
